1962 DEDICATION

Mr. William S. Layton, A. B., A. M., University of Michigan

The editors and staff of the 1962 Islander wish to dedicate this yearbook to Mr. William S. Layton, who has served this School faithfully for ten years. During that period, he has taught grades five and six in the Middle School as well as serving as Head of the Middle School from 1953 to 1957. In September of 1957 he was appointed Assistant to the Headmaster. Along with administrative duties, Mr. Layton taught English and Music Literature in the Upper School. He has in the past been director of the glee club, and for the last four years, he has been a strong force in yearbook activities. It is because of his kind interest and unstinting service to our School that we sincerely wish to show our appreciation and gratitude.

Mr. Donald E. W. Niemann, Headmaster, with Lady Boots

THE HEADMASTER'S MESSAGE:

The message from the Headmaster that is traditionally found in yearbooks is never a simple thing to write, and this year in particular I find it a somewhat difficult task. I shall be leaving Palm Beach Private on July 1st, and this message therefore becomes one of farewell. After twelve years of association with the School, it is not easy to say goodbye.

Perhaps I can best begin by expressing the pleasure I have derived from my work at the school during my two years as a teacher of English and Latin and my ten years as Headmaster. It has been a happy and rewarding experience, and in leaving I take with me a host of heart-warming and soul satisfying memories.

It is naturally gratifying to view the growth and development of the School during the past ten years, including the increase in enrollment from 156 to 302 and the expansion of facilities through the interest and generosity of the parents. It is even more gratifying, however, to know that, through the inspiration and hard work of a dedicated faculty and staff and the enthusiasm of the student body, the high academic standards of the School have been maintained and even improved. This has been accompanied by a steady improvement in the athletic program and in the extra-curricular activities, of which *The Islander* is a significant part.

To those of you who are leaving Palm Beach Private for prep school and college, I extend my best wishes for much happiness and success in the years ahead. It is my hope that through your academic work and your activities you will make an important contribution to the schools and colleges that have accepted you. It is also my hope that you will retain your ties with Palm Beach Private, returning to the School during your vacation periods and continuing your interest in its development during the coming years.

To those of you who will be returning to the School in September, I express the hope that you will work together, with enthusiasm and seriousness of purpose, to make Palm Beach Private a school of which you, your parents, and the community can be proud. The good name of the School is in your hands. Treat it with the respect and devotion that it deserves.

A word or two of congratulations should certainly go to the staff of *THE ISLANDER* and to Mr. Layton, their faculty advisor, for their efforts to maintain the high quality of previous yearbooks and to place this year's edition in the hands of the students before the close of the school year.

And now it is time for Mrs. Niemann and myself to say goodbye - - to all those parents who have shown such a deep interest in the School and who have contributed to its growth through their generosity and their services; to all those loyal alumni and alumnae whom it has been our pleasure to greet as they returned to visit us year after year; to the loyal and devoted members of the faculty and staff who have made our work so much easier and who are, indeed, the pillars to the School; and finally to you, the students, who have filled our years in Palm Beach with a delightfully stimulating combination of enjoyment and exasperation and who, when all is said and done, will truly determine the future of the Palm Beach Private School.

A large, elegant handwritten signature in dark ink, reading "Donald E. Niemann". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Donald E. Niemann

Senior Class Officers

Michael Burton, President; Nina Seely, Vice-President; Ann Weldon, Secretary-Treasurer.

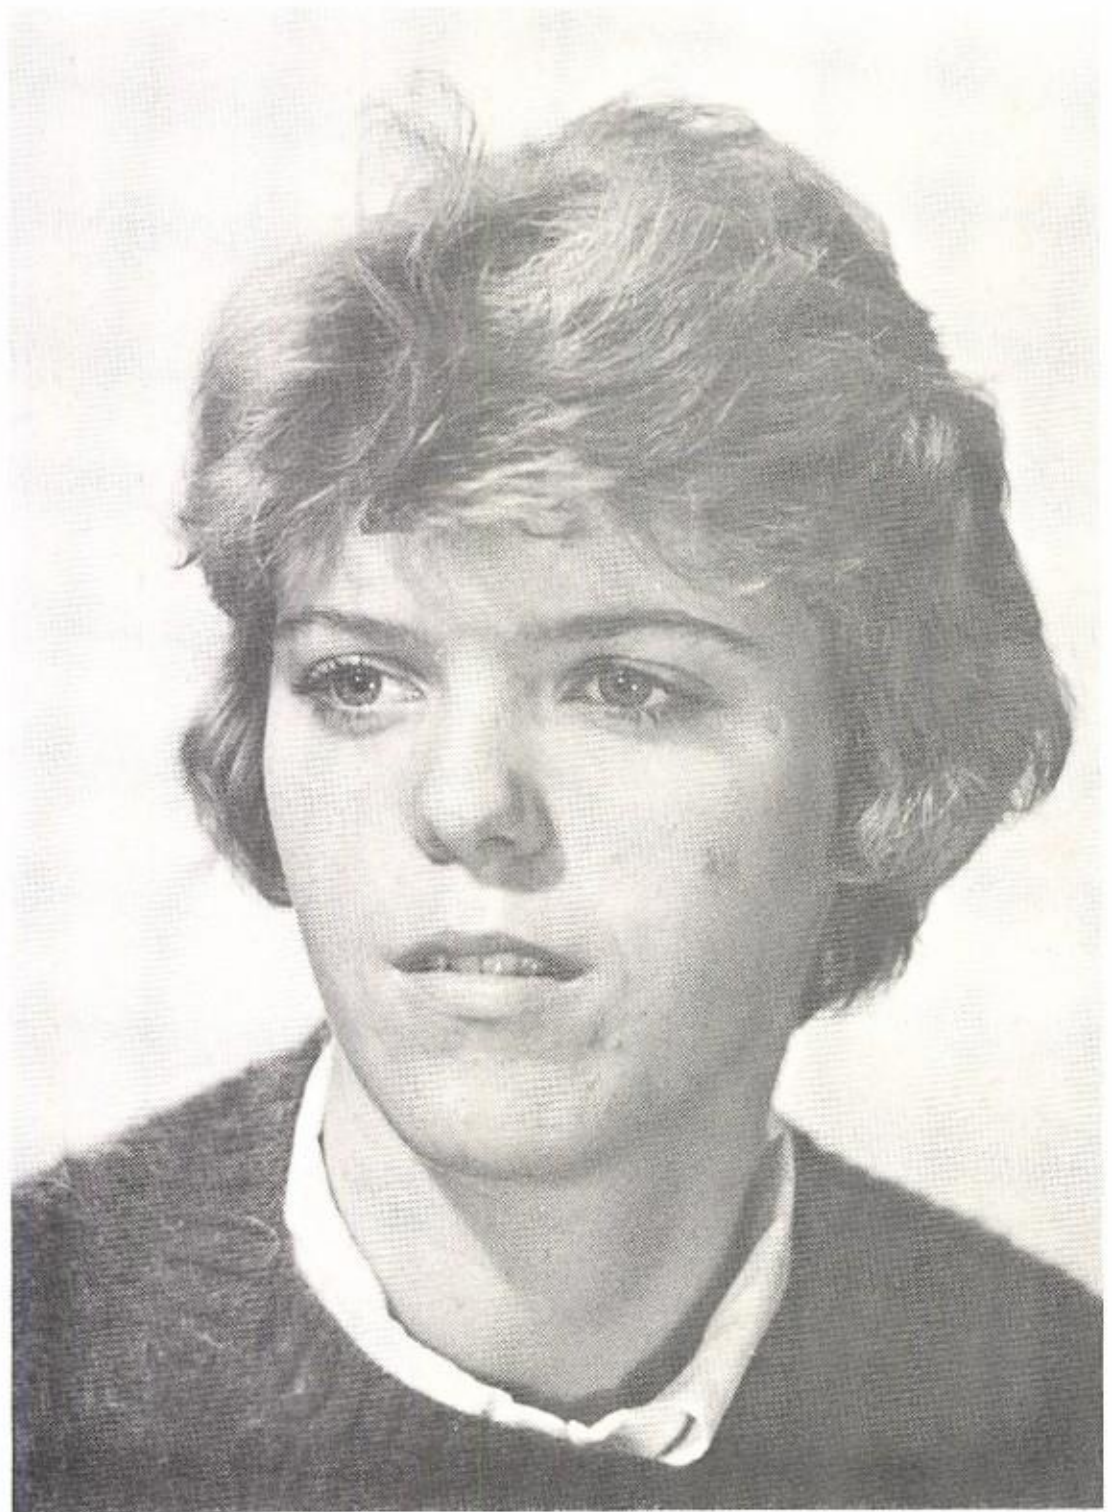

MIKE BURTON
PRESIDENT

Mike came to Palm Beach Private in 1961 as an eleventh grader. He served on the Yearbook staff as Business Manager, and in the Dramatics Association and he received an Amory Haskell Dramatics Award at the end of the year. Mike also played on the varsity basketball and football teams, and as captain of the Pelicans. Mike was awarded the Paul Maddock Field Day Award for his outstanding athletic efforts.

This past year Mike has again served in the Dramatics Association and on the Yearbook staff. He was chosen for the varsity basketball and tennis teams and is captain of the Pelicans again.

Mike was elected as President of the Senior Class last May and as President of the Student Council this October.

As a leader Mike has excelled - both in extracurricular activities and as a prominent figure in the student body. The school will feel a great loss without Mike next year - his leadership and friendship have left a definite mark on the school.

NINA SEELY
VICE-PRESIDENT

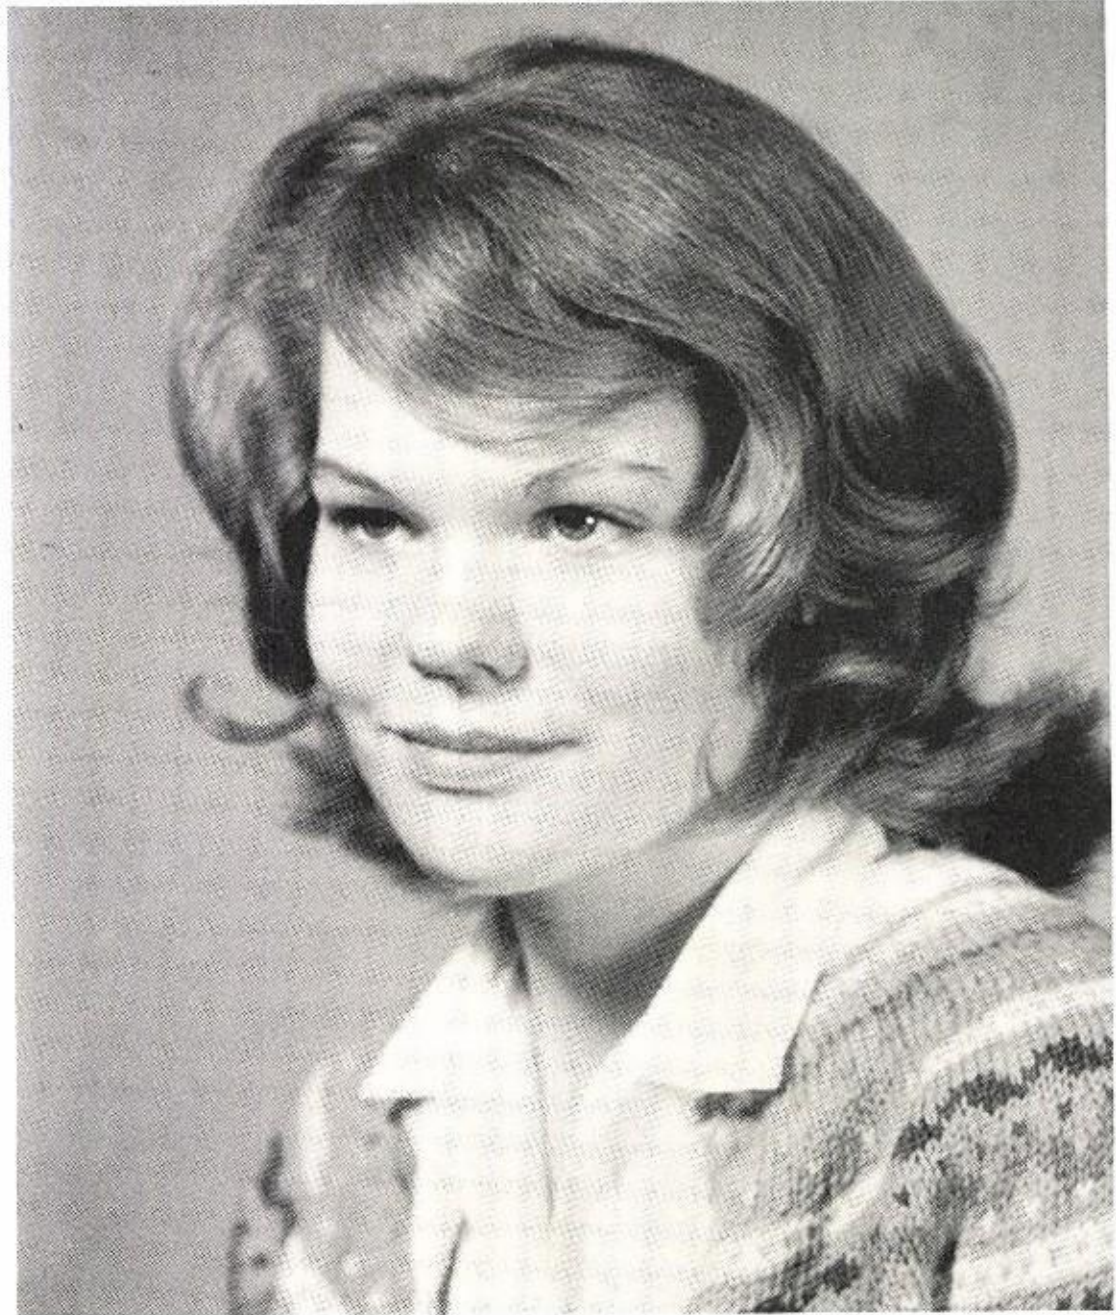

Nina was born in Asheville, N. C. and, after attending Gulfstream School in Gulfstream, Florida, she entered the Palm Beach Private School as a sophomore in 1958. Last year Nina was President of the Junior Class as well as Secretary of the Student Council and Secretary-Treasurer of the Leaders Club. She now serves as Vice-President of the Class of '62, the Vice-President of the Student Council, the Secretary-Treasurer of the Leader Club, and Vice-President of the Yearbook Staff. Nina has shown her outstanding ability to act by her active participation in every function of the Dramatics Club. In 1959, Nina was awarded the Essay Cup. The following year, she was awarded the Prose and Poetry Cup, honorable mention for her term paper on The Elizabethan Theatre, as well as Amory L. Haskell Awards for both of those years. Nina has played on major varsity teams since her first year, playing as a true Pelican should!

ANN WELDON
SECRETARY-TREASURER

Ann first came to Palm Beach Private School in the ninth grade, 1958. From the start she demonstrated her musical abilities singing in the Glee Club, of which she has been a faithful member all four years, and playing a flute solo in the Christmas Observance. Ann also contributed the mood music in the scene of the Greek and Roman Historians in the 1959 Voices of the Past. In the dramatic field she has also held her own. Ann was a member of the regular dramatics group in her ninth, tenth, and twelfth grade years, as well as one of the Idiots in 1959-1960. For the 1960 Voices of the Theatre, Ann graced the stage with her interpretations of "I'm as Corny as Kansas in August" and "I'm going to Wash that Man Right out of my Hair". She has had prominent parts in the Spring plays of 1960 and 1962.

Following Ann's artistic lines, she was a member of the 1961 Yearbook staff and in the special art class in 1961-1962. Ann, who is a Pelican, has been on the varsity teams in volleyball twice, hockey twice, softball twice, swimming once, and basketball once; she became a member of the Leaders Club in 1960 and was a cheerleader the same year. She has won the Trustee Prizes in Mathematics and in English, both twice, and has more frequently than not been on the honor roll. Ann has been secretary of the present Senior class twice, Junior and Senior years, and was Treasurer of the Student Council for 1961-1962. An accepted and valuable ingredient to the Class of 1962, Ann will long be a part of Palm Beach Private.

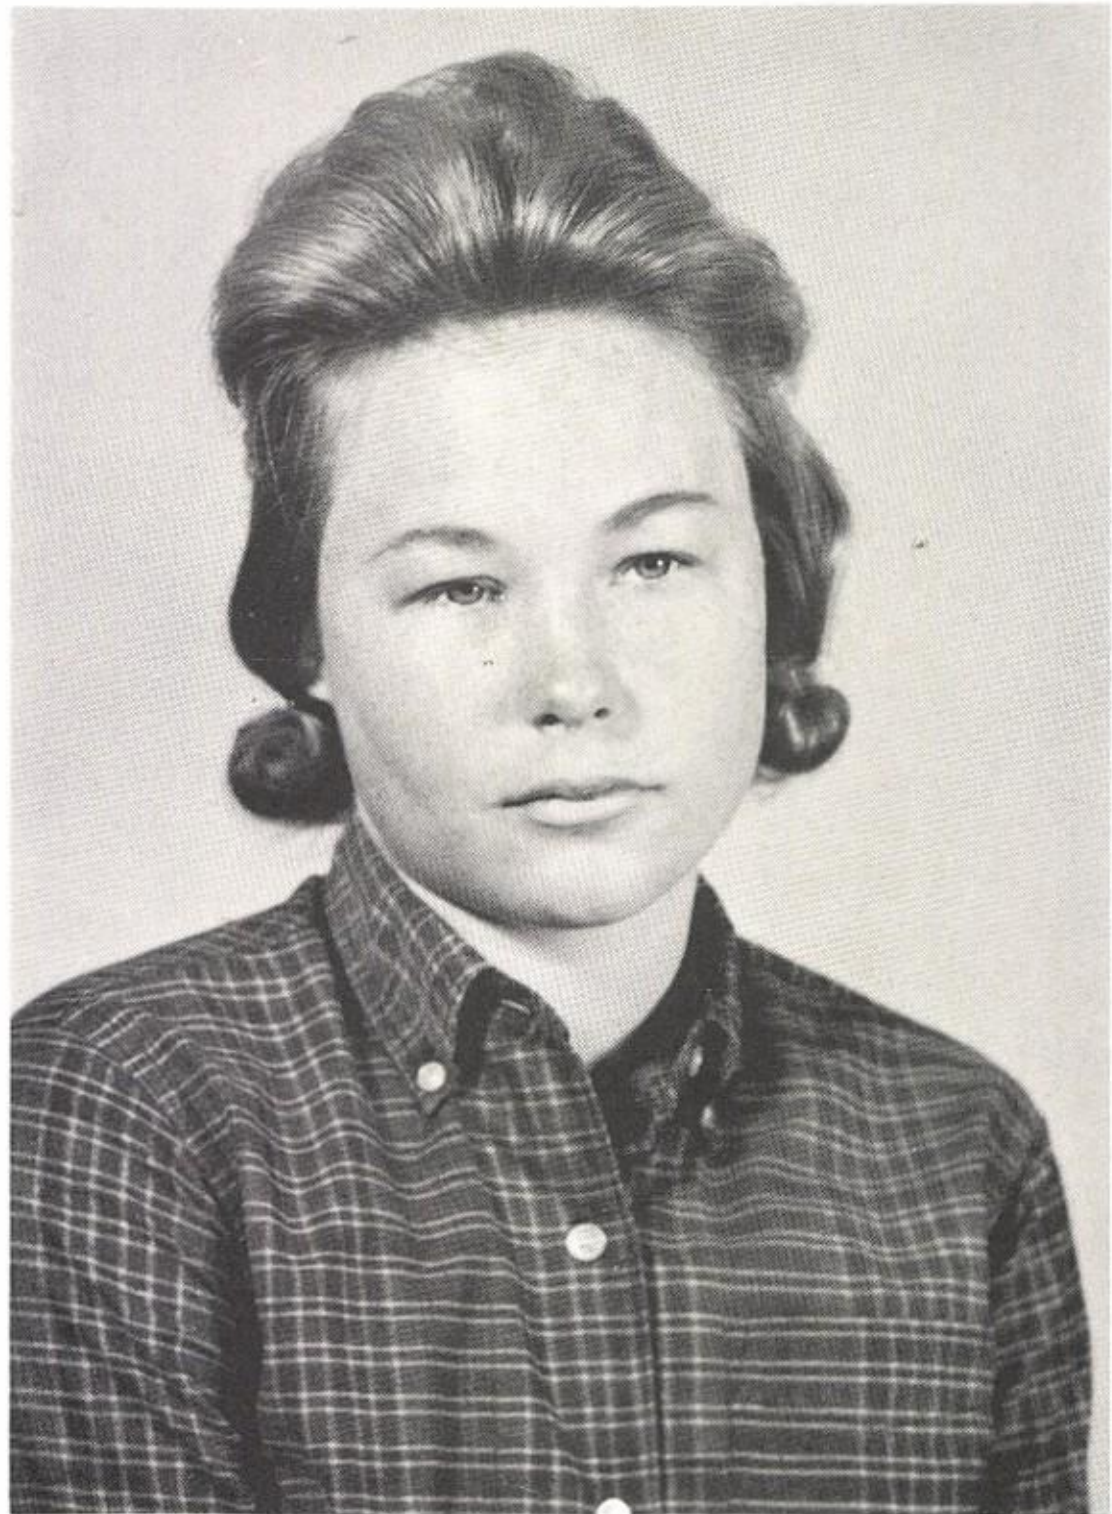

NADYA ANGONES

Nadya came to Palm Beach Private in her Junior year. At first she was quiet, but friendly, and now has become much more vocal in events around school and in the activities on her class. She has participated in the Prose and Poetry programs and has done an excellent job. She has also contributed greatly to the Glee Club presentations. Nadya has no definite plans for next year.

ALEIDA DE LA RIVA

Aleida entered the Palm Beach Private School in her Junior year. Her ability to speak languages and her cheerfulness at all times has made her an asset to the school. "Alei" took part in Prose and Poetry and the French Assembly during her Junior year. Her performance in both showed her willingness to participate. She was a member of the Dramatics Association and took part in many assemblies during the 1960-61 year. In her Senior year, Aleida joined the Glee Club, and to everyone's amazement took sports for the first few months of the school year. Aleida's wonderful nature will be missed by everyone in the school.

DORA DIXON

Dora entered the Palm Beach Private School in the fourth grade. In her nine years here Dora has displayed continual and outstanding leadership on the sports field as well as in the class room. During the past four years Dora has served as co-captain of the victorious Flamingo team. This year she is also co-President of the Leaders Club. Dora has played in each of the girls' varsity sports as an invaluable member of the team, as well as the confident captain of many of them. The Flamingos will certainly miss Dora's leadership and spirit next year—the Pelicans will miss her too—for she has been a definite asset to the school.

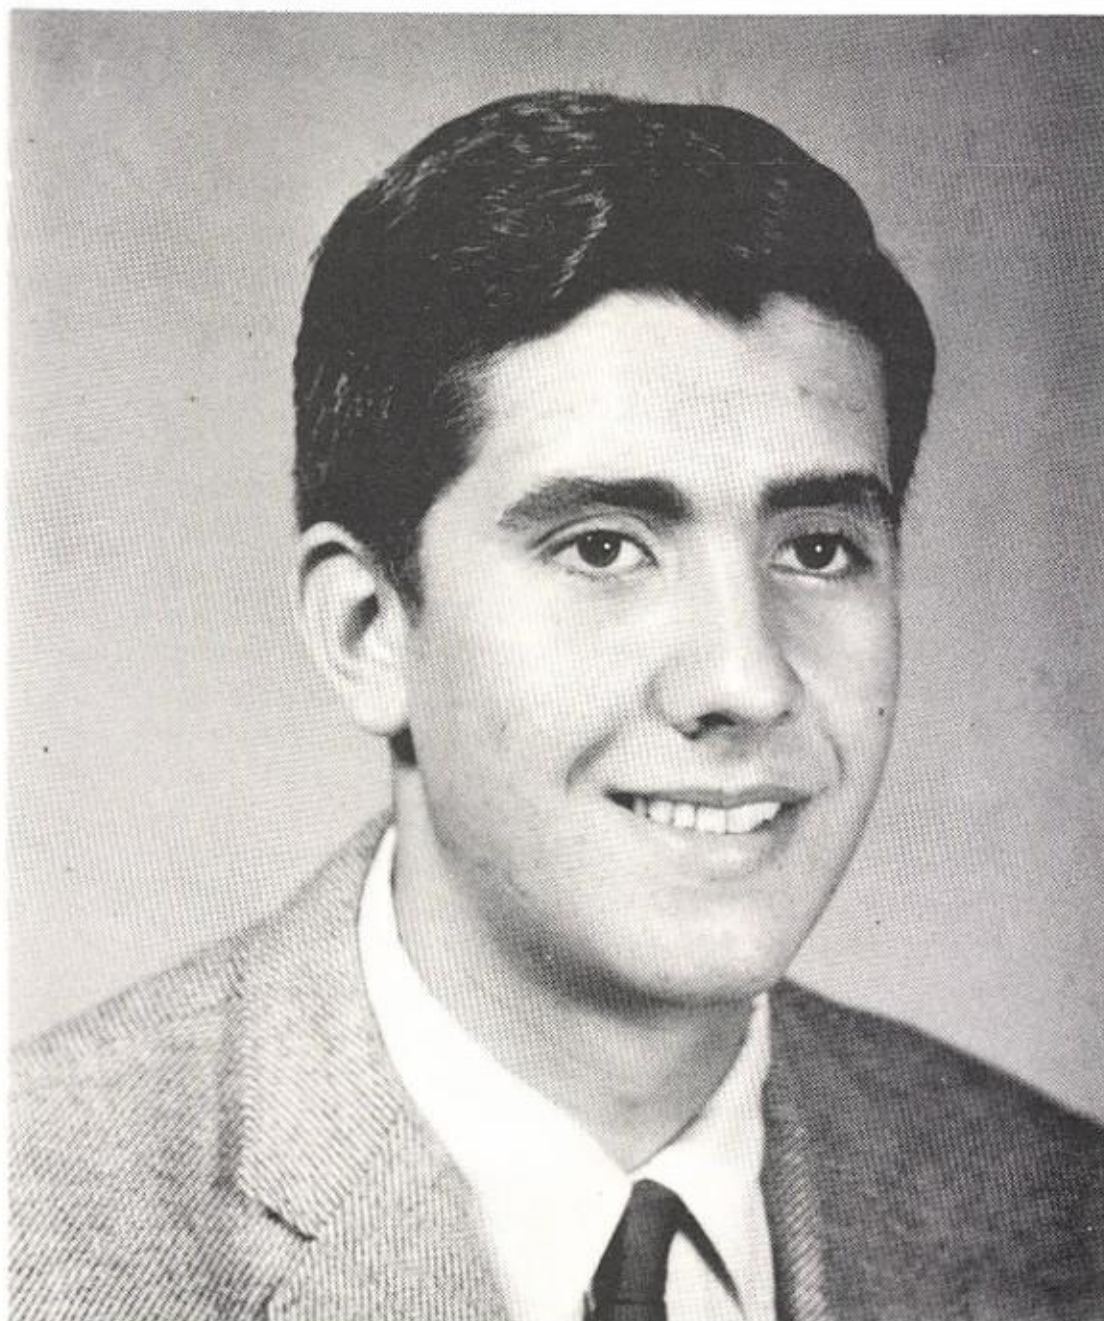

FRANCES GABLE

Fran started school here in the sixth grade and went until the eighth grade when she left to attend Mount Vernon Seminary. There she was on the Student Council and in many other organizations. She left there, however, and returned to Palm Beach Private where she completed her Senior year. This year at Private she has been an outstanding member of the Yearbook staff and the Dramatics Association. Fran is an excellent athlete for the Pelicans but she does not like to be noted for this achievement. She has also ranked high in her class this last year and would like to attend Wellesley in the Fall. She hopes to do as well at Wellesley as she has done here—furthering her education which is already extensive.

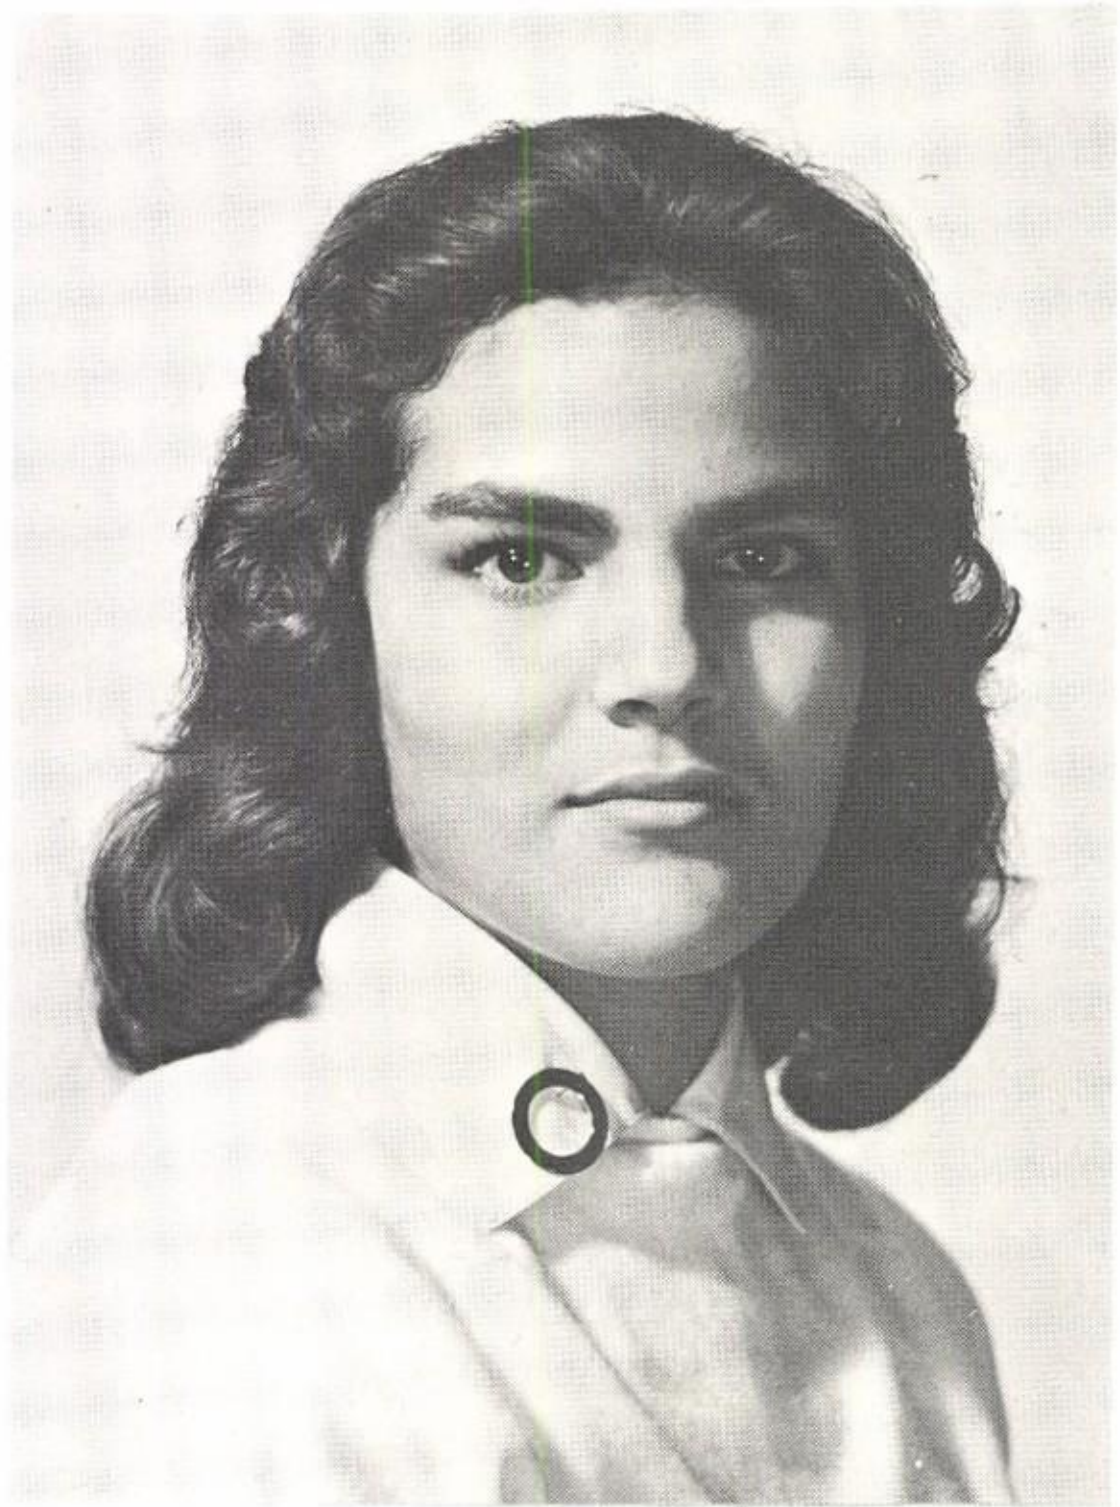

NANCY JONES

Nancy came to Palm Beach Private as a first grader and attended school until the ninth grade, with the exception of the fourth and the fifth grades which she spent in West Virginia. Nancy has been an active member of the Pelican team, playing for several years on the varsity basketball and hockey teams. Nancy has been a member of the Glee Club, the Dramatics Association, and the Atlantis. She has contributed to each of these clubs and has been a definite asset to them. Nancy has not yet made definite plans for next year.

ALEXIS OBOLENSKY

A native of Palm Beach, Oby entered this school in 1953 as a fourth grader. He left the school in 1955 leading his fifth grade class in honors. Entering again in the eighth grade, he served as the President of the Junior Science Club. In the high school grades Oby has contributed a great deal to the school, serving for four years on the Yearbook staff and for three years as an outstanding member of the Dramatics Association. For his efforts in all phases of Dramatics he has received several Amory L. Haskell Awards. An outstanding student in Mathematics and French, Oby has received a Trustees Prize for Algebra II and Honorable Mention for excellence in French recitation. Planning to major in Mathematics, Oby hopes to attend Williams College.

LOURDES PADRON

Born in Havana, Cuba, Lourdes came to us as a Junior in November, 1960. She quickly became a part of the school and was an active member of both the Dramatics Association and the Glee Club.

This year, as a Senior, Lourdes is a member of the Yearbook staff. She has proven her athletic ability by being a member of the varsity volleyball team for both Junior and Senior years.

Lourdes has no plans for college but thinks that she may attend a secretarial school unless circumstances permit her to return to her native country.

PETA PAULL

Peta's years at Palm Beach Private have made her an integral part of the school.

Peta has been active in many of the organizations of the school such as dramatics, glee club, and the Leaders Club of which she is co-president, and captain of the Pelicans. In the fifth grade Peta won the Chapin Cup, which is awarded to the most outstanding student in the Middle School.

Peta excels in sports and last year she was awarded the Paul Maddock Field Day Award for her outstanding efforts on Field Day. She has been on all of the major varsity sports teams and has been an invaluable member of the team.

Palm Beach Private will miss Peta next year; she hopes to enter Mills in the fall.

RICHARD POND

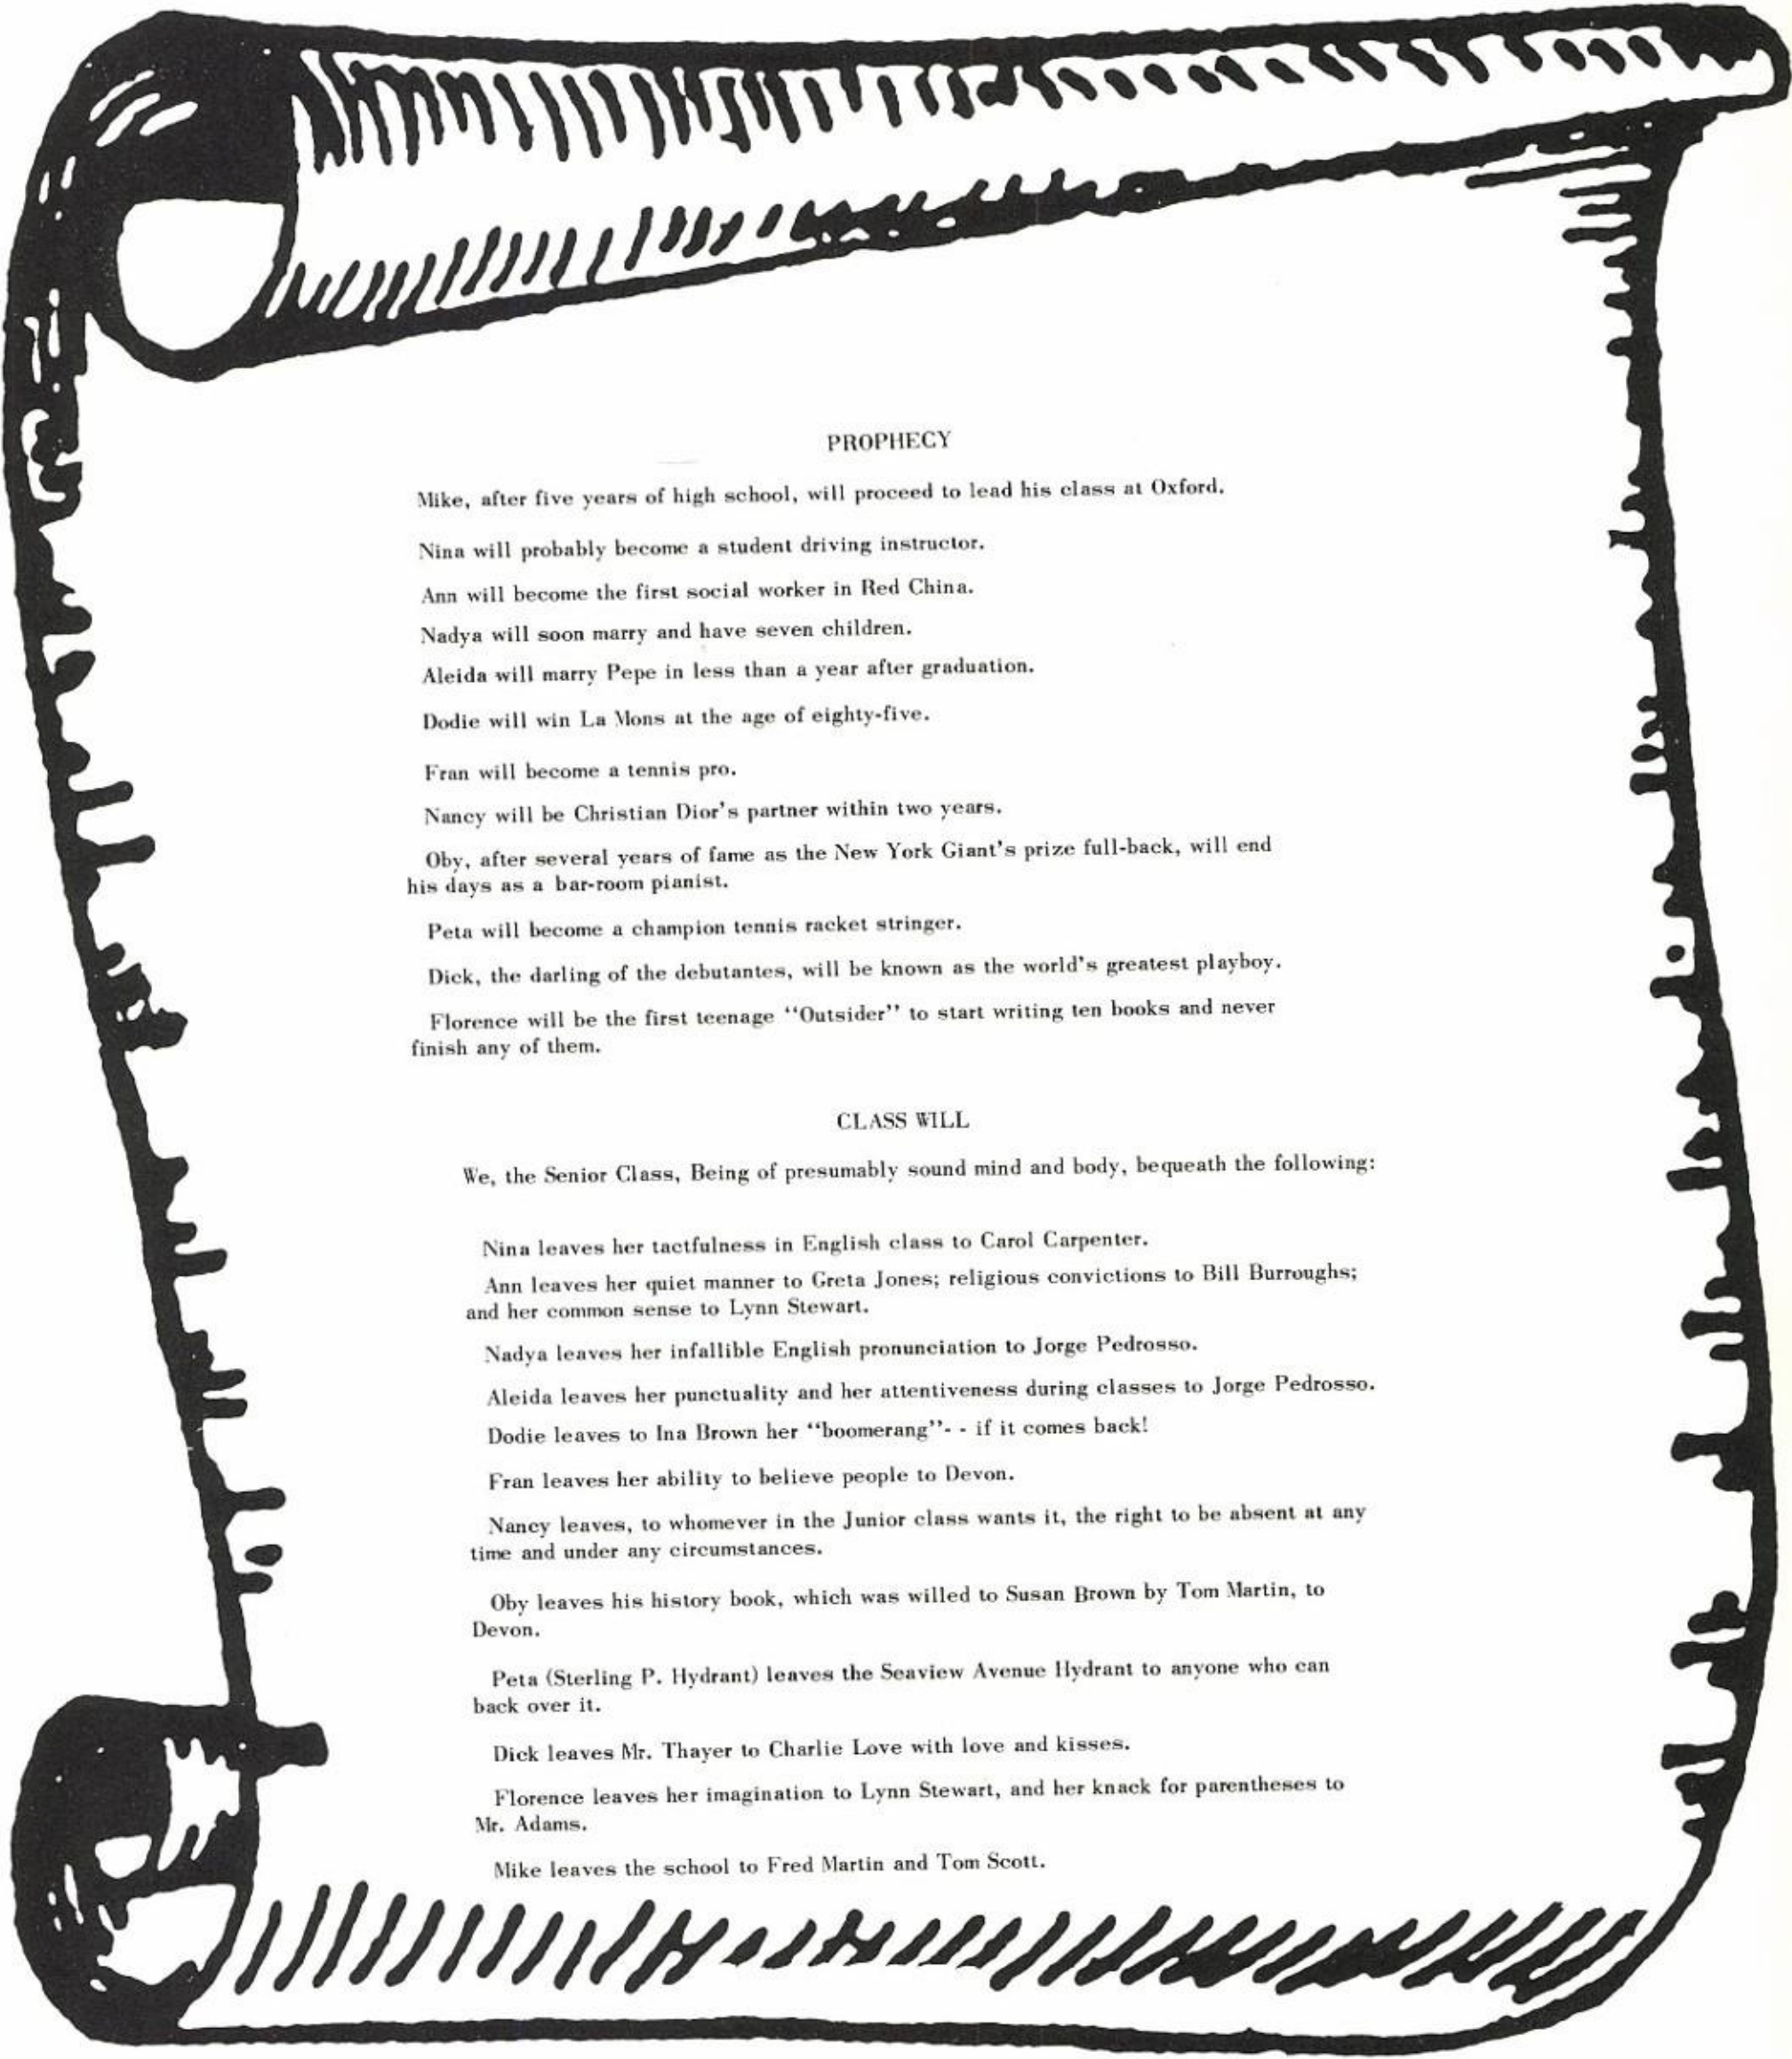

Dick entered Palm Beach Private in the seventh grade. During the years he has been a very able and ardent member of the Dramatics Association and, for a short time, he took Sculpture. His athletic ability is proved by the fact that he has won varsity letters as a starter on all the teams that he tried out for. Dick has been an 'efficient' student during his years at Palm Beach Private. He hopes to enter Duke University in the Fall.

FLORENCE SEELEY

Florence Seeley came to Palm Beach Private in January of 1961 as a Junior. That year she was a member of the extracurricular art class. She showed her athletic ability by being on the varsity hockey team. Because of her interest and ability in writing, she won honorable mention for the Essay Cup.

In her Senior year Florence joined the staff of the Atlantis. She demonstrated her artistic ability by joining the class in oil painting and composition. Florence hopes to attend Sarah Lawrence College.

PROPHECY

Mike, after five years of high school, will proceed to lead his class at Oxford.

Nina will probably become a student driving instructor.

Ann will become the first social worker in Red China.

Nadya will soon marry and have seven children.

Aleida will marry Pepe in less than a year after graduation.

Dodie will win La Mons at the age of eighty-five.

Fran will become a tennis pro.

Nancy will be Christian Dior's partner within two years.

Oby, after several years of fame as the New York Giant's prize full-back, will end his days as a bar-room pianist.

Peta will become a champion tennis racket stringer.

Dick, the darling of the debutantes, will be known as the world's greatest playboy.

Florence will be the first teenage "Outsider" to start writing ten books and never finish any of them.

CLASS WILL

We, the Senior Class, Being of presumably sound mind and body, bequeath the following:

Nina leaves her tactfulness in English class to Carol Carpenter.

Ann leaves her quiet manner to Greta Jones; religious convictions to Bill Burroughs; and her common sense to Lynn Stewart.

Nadya leaves her infallible English pronunciation to Jorge Pedrosso.

Aleida leaves her punctuality and her attentiveness during classes to Jorge Pedrosso.

Dodie leaves to Ina Brown her "boomerang" - if it comes back!

Fran leaves her ability to believe people to Devon.

Nancy leaves, to whomever in the Junior class wants it, the right to be absent at any time and under any circumstances.

Oby leaves his history book, which was willed to Susan Brown by Tom Martin, to Devon.

Peta (Sterling P. Hydrant) leaves the Seaview Avenue Hydrant to anyone who can back over it.

Dick leaves Mr. Thayer to Charlie Love with love and kisses.

Florence leaves her imagination to Lynn Stewart, and her knack for parentheses to Mr. Adams.

Mike leaves the school to Fred Martin and Tom Scott.

ACTIVITIES

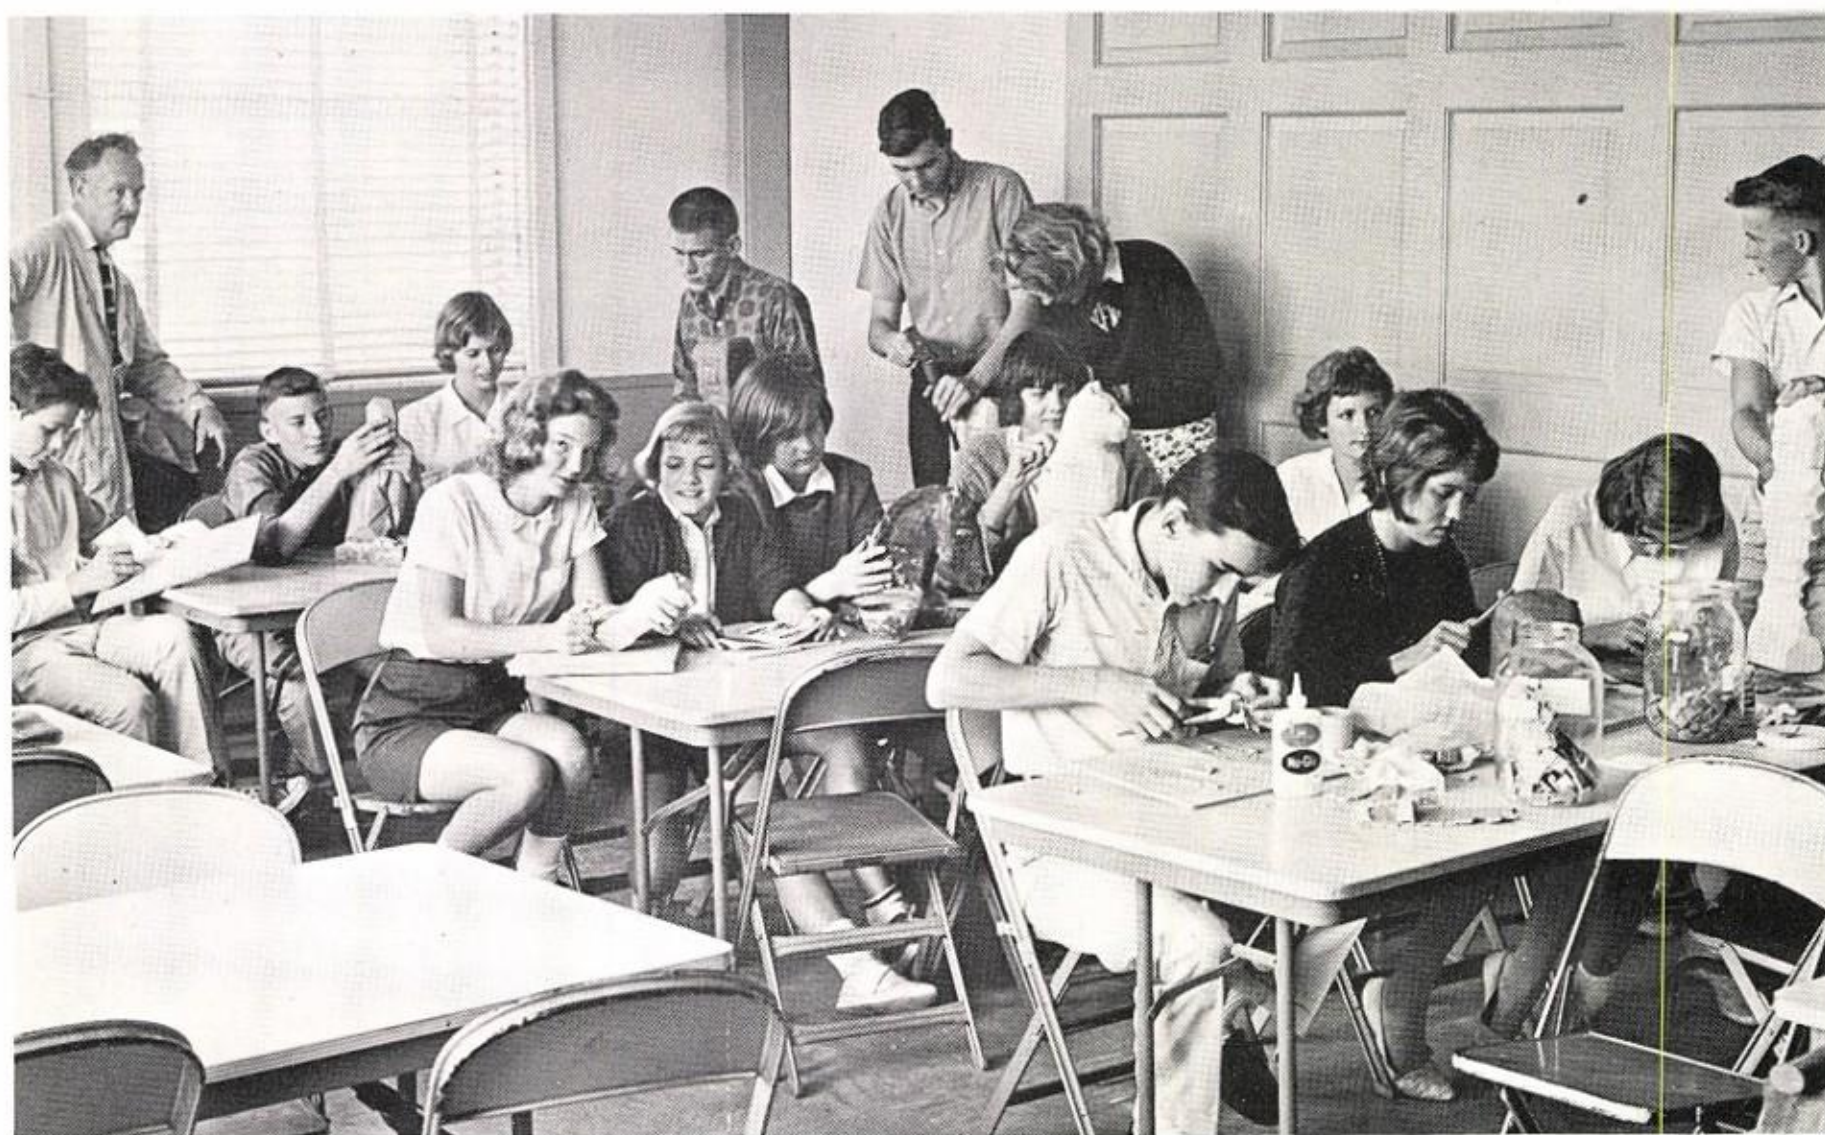

DRAMATICS

The most popular extracurricular activity at Palm Beach Private is the Dramatics Association. Under the direction of Mrs. Niemann, with the assistance of Mr. Aiken and Mr. Ten Eyck, the Privateers have learned the fundamentals of acting, lighting, make-up, costuming, and scenery construction. This year, in the first semester, the major production was the Prose and Poetry Readings. In the second semester, the main concentration was on "George Washington Slept Here", this year's Spring Play. Congratulations to them for an outstanding year.

SCULPTURE

Sculpture is one of the most popular extracurricular activities which is offered at the Palm Beach Private School. Sculpture enables the student to express himself through several mediums, such as wood, clay, and stone. In addition to the enjoyment of creating, the student learns many of the basic techniques in sculpturing. We are fortunate to have such a gifted artist as Mr. Jenkins for our instructor. Through his competent instruction, the class has received many awards at the various art shows in this area.

GLEE CLUB

The Glee Club is under the leadership of Mr. Edward Palmer. Mr. Palmer also has a choral group of his own. The purpose of the Glee Club is to train students to use their voices properly, and at the same time to permit them to enjoy the activity thoroughly. So far this year the Glee Club has sung two choral arrangements—one at Parents' Night and one in Christmas Caroling at the various hospitals throughout this area. We certainly have enjoyed this year with Mr. Palmer and greatly appreciate what he has done for us.

ATLANTIS

The Atlantis is the literary magazine of the Palm Beach Private School. Its first publication was in 1937.

The main purpose of the Atlantis is to strengthen the knowledge of its readers through interesting reading. The best short stories, poems, essays, and articles are selected from the writings of all the students in the various grades of both the upper, middle, and lower schools by the editorial board.

The editor of the Atlantis is Leila Richards, and the editorial staff includes Georgia Riley, Joli Von Rebhan, Sandra Hardeen, Florence Seeley, Bill Burroughs, Will Rasmussen, Bob Rooth, and Mike Garvan. The faculty advisor is Mr. Skinner.

YEARBOOK

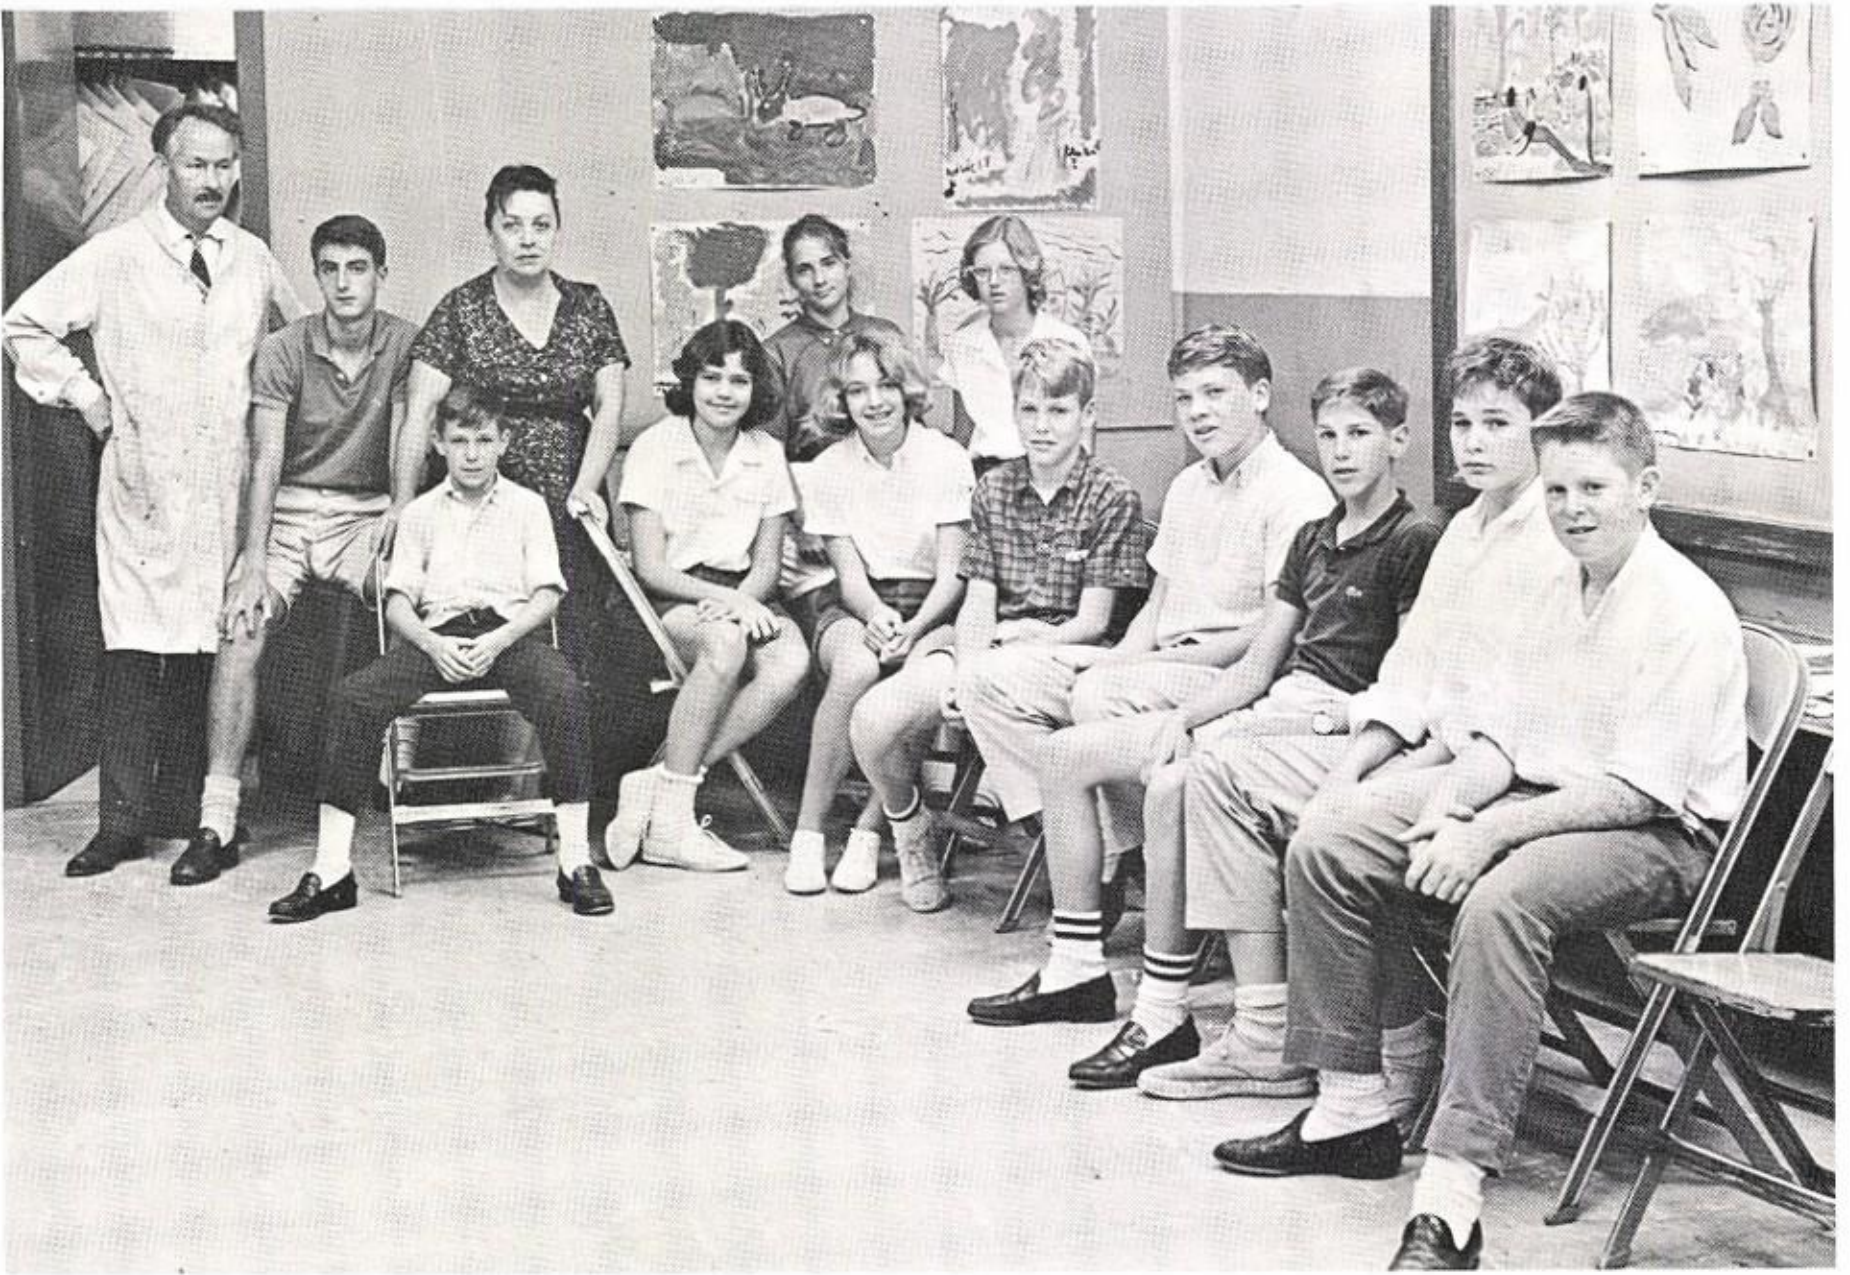

Deadline after deadline, cancelled meeting after cancelled meeting, quarrels, squabbles, headaches, bruised knuckles, but we finally finished our yearbook. We, the staff, hope that this yearbook will be considered one of your treasures now and in the future.

PORTFOLIO

The Middle and Lower School newspaper, The Portfolio, is a publication which appears throughout the school year. Compiled entirely by a staff of Middle Schoolers, headed by Barbara Bayless, it includes poems, stories, articles, and the gossip from the Nursery School through the Sixth Grade. We wish to congratulate the entire staff and the faculty advisor Mr. Bayless for the excellent job they have done this year.

ART

In Art Class, the students have a chance to express themselves freely. Whether in oil or watercolors they have learned to show their creative senses. Under the guidance of Mr. and Mrs. George Jenkins, the students are taught many valuable points toward a practical knowledge of art. Art is a definite addition to the more pleasant side of study at the Palm Beach Private School.

CERAMICS

Ceramics is a field in which students learn to express their feelings through clay and glass. It is an activity which teaches the hands to be creative and imaginative. Under the direction of Mrs. Kort, this has become a popular and rewarding course.

LEADERS CLUB

The Leaders' Club was founded three years ago when it was felt that the Girls' Athletic Association was of no effect. Miss Gloria Bryant, Girls' Athletic instructor, is the faculty advisor. The purpose was "to give example to other girls; to give aid to those girls who might need it; and to expand the present athletic program or improve it."

The girls were chosen from the seventh to the twelfth grades for qualities of leadership, honor, integrity, courtesy, loyalty, initiative, self-sacrifice, and cooperation. There were fifteen charter members chosen. Since then, new members have been chosen by the girls themselves, and the maximum number of members has been kept at fifteen. Each girl has a job within the athletic program.

The girls have sponsored many projects; among them have been cookie sales, booths in the bazaars, a student-faculty volley ball game, and, of course, pep rallies.

The present members are: Dora Dixon, Nina Seely, Peta Paull, Ann Weldon, Page Lee Hufty, Georgia Riley, Ann Biggs, Joli von Rebhan, Denise Anderson, Spency Love, Lisa Thayer, and Leslie Mitchell.

STUDENT COUNCIL

This year the Student Council has been very busy planning many different events, the first of which was the Christmas Dance which proved very successful. They are also planning an Honor System which will go into effect next year and will be a definite asset to the school. We will always remember the Bus Bazaar and consider it one of the highlights of the year. Yes, this has certainly been a busy year and many thanks to the group of students who helped to make it possible, headed by: Mike Burton, our President, Nina Seely, Vice-President, Ann Garvin, Secretary, and Ann Weldon, Treasurer.

SPORTS

FOOTBALL

This year the 7-12 Grade varsity football team played a rugged five game schedule. The team won two and lost one. The varsity was led by the quarterbacking of Bobby Bayless, while the line was led by Robert Moser. Other outstanding players were Mel Riley, Devoe Bassford, and Jamie Wakem. Even though a few on every team stand out, the team, as a whole, played well together. This accounts for much of their success this year. They were greatly inspired by the coaching of Mr. Bouclas and Mr. Bayless.

MIDDLE SCHOOL FOOTBALL

The Middle School varsity football team played an undefeated three game schedule this year. They rolled over Miami CountryDay in two games and later went on to topple St. Stephens to finish the season.

Tom Scott, Charlie Love, Dick Pond, Mike Burton, Fred Martin, Skip Lihme.

First Row: Tom Scott, Charlie Love, Dick Pond, Mike Burton, Fred Martin, Skip Lihme, Mr. Bouchlas.

Middle School Soccer

The Middle School soccer team this year was undefeated in an abbreviated schedule. In the two games they played, they defeated Miami Country Day with scores of 6-2 and 4-2. Congratulations to a good team and it's captains: Jay Maddock and Alex Fanjul.

UPPER SCHOOL

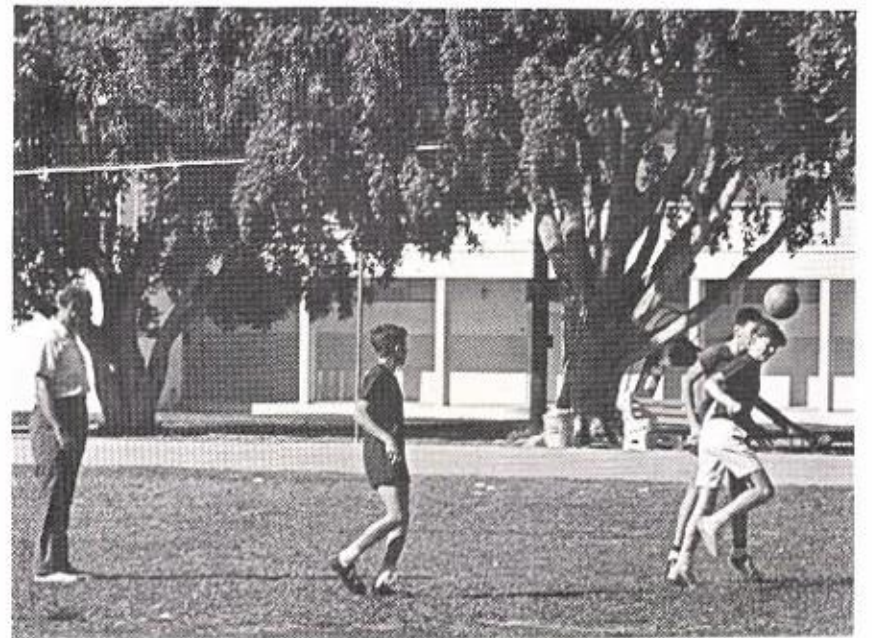

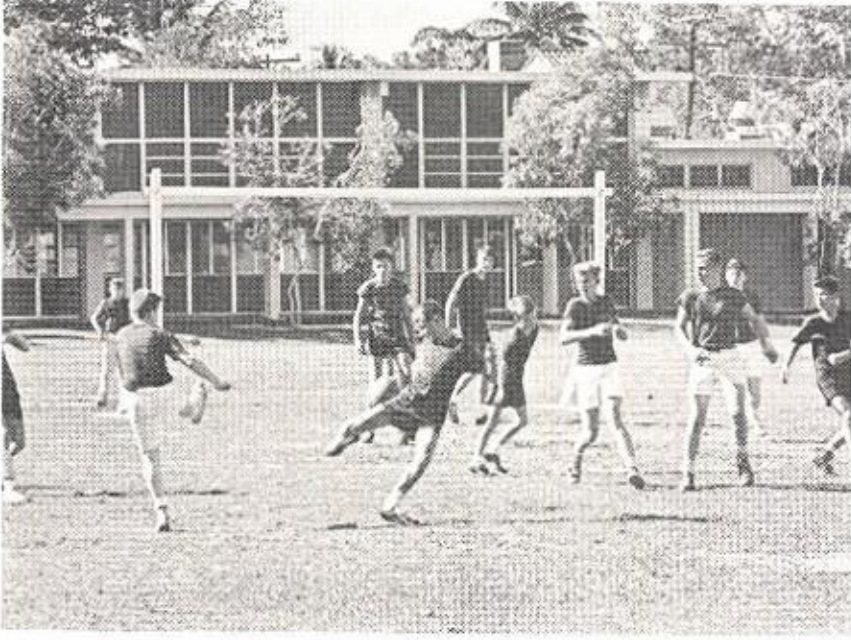

First Row: John Rief, Tiffany Nelson, Lester Armour, Devoe Bassford, Charles Gezelschap, John Wean. *Second Row:* Doug Dugan, James Siemon, Bob Bayless, James Waters, Ronnie Sanson. *Third Row:* Mr. Aitken, Dave Burton, Bob Rooth, Bob Moser, Mr. Niemann, Jamie Wakem, Tony Frates, Mel Riley, Mr. Skinner.

This year was very disappointing for our Upper School soccer team. During the two games with Ransom School, Palm Beach Private won and lost one; tied two games with Miami Country Day School; and were defeated in both games against the strong and experienced Miami Military Academy.

The coaches this year were Mr. Niemann, Mr. Skinner, and Mr. Aitken. Their co-captains were Devoe Bassford and Bob Bayless. Credit is due to James Wakem, Mel Riley, Bob Moser, James Siemon, and Ronnie Sanson for outstanding efforts.

Dear Sandra Hardeen,

You have really been a busy bee, drawing all of the artwork in the yearbook. Though not a member of the staff, you were always willing to help whenever your presence was needed. Whatever we wanted a bee to do, you did it with finesse. Without your school spirit, the yearbook would have lacked the added humor and color.

We, the staff, are very grateful for your contribution.

Thank you again,

The Staff
